

INTRODUCTION

GLT-60 is Glassine coated paper, on both sides coated with polydimethylsiloxane (CAS No 9016-00-6)

FEATURES

Release Liner 60 Gsm

Coated Type / Thickness: Special rubber adhesive / 0.003 mm

Carrier Type/ Thickness: Glassine Paper / 0.054 mm

PROPERTIES

Properties	Unit	Time	Specification
Unwind To Steel	Gf/cm	Min.	3~10
Release Transfer Test	%	Min	85
Tensile Strength	Kgf/25mm	Max	5.0 t
Elongation (ASTM D 3759)	%	Min	3
Temp. resistance to stainless steel(1hr)	Celsius	Max	100
	Fahrenhei		
Coated type			Silicone Resin Base
Color available			White
Water proof property			Available
Shelf Life : 24 months, the shelf life is defined started from estimated arrival date(ETA).
