

VieTape EVF7101

EVA FOAM

DESCRIPTION

VieTape EVF7101 is EVA foam with high flexibility and elastic properties. This product provides good weather resistance, chemical resistance, waterproof and insulation.

APPLICATIONS

- Electrical and thermal insulation,
- Cushioning, damping and shock absorption.
- Other packaging applications.

DIMENSION

Customize upon request.

TYPICAL PERFORMANCE PROPERTIES

| Properties | Value |
|------------------------|------------------------|
| Chemical base | Ethylene Vinyl Acetate |
| Color | Black |
| Foam density | 28kg/m ³ |
| Hardness | 15-35 shore OO |
| Elongation | >350% |
| Temperature resistance | 150°C |

SHELF LIFE

Store at room temperature, keep away from heat and direct sunlight.

The shelf life is 12 months from date of manufacture when stored at recommended storage condition.
